

Date:

Aug 25, 2008

Name Billy Bob

Email address billy@bob.com

Program of study Other: Software Systems Engineering

Available from Sep 12, 2008

Student Number

5 5 5 1 2 3

Phone Number 0241/00123456

Semester 9

**Lectures Attended**

**Semester**

**Exercise Points**

**Exam**

< 50%

≥ 50%

passed

Index Structures for Data Bases Summer Term 06

Data Mining Algorithms Winter Term 06/07

Advanced Data Mining Algorithms

Models of Data Exploration Winter Term 08/09

Other relevant lectures (give name of chair/lecture):

i5: Intro DB Summer Term 07

**Seminars/Lab Courses Attended**

**Semester**

**Advisor**

Seminar at i9 Summer Term 08

Max Müller

Lab course at i9

Other seminars/lab courses (please list chair/name):

i7: Automata Theory Winter Term 05/06

Anne Arndt

**Programming Experience**

Experienced in:  Java  C/C++  other: PHP, VB

Describe programming experience:

\* Implemented a database-driven customer management system during a summer internship at company XY  
\* Actively participate in the development of the open source project XY  
\* Wrote small desktop tools for my own use in VB  
\* Develop LAMP projects in my spare time

**Additional Notes**

I would prefer a topic related to indexing rather than a data mining topic.
